

Advanced SQLite Queries with Belkasoft - On-Demand Training Course

Product ID: 23558

Price: 922.00 EUR

Product weight: 0.00 kg

Description:

Advanced SQLite Queries with Belkasoft - On-Demand Training Course This hands-on course is built for digital forensics professionals and incident responders looking to level up their skills in SQLite forensics. You will learn how to leverage SQLite queries to validate DFIR tool extractions, dig deeper into case data, and approach unsupported databases. Using real-world examples like WhatsApp and Facebook on Android and iOS, you will gain practical experience creating advanced queries effectively to make the most of digital evidence.
