Alc XG1 Code Reader/Repairer

Product ID: 1287

Price: **21.04 EUR**

Product weight: **0.00 kg**

Description:

Alc XG1 Code Reader/Repairer it's small tool for all people that want to safety unlock their XH1 handsets. THis tool works on ALL versiosn of software since it's only reading all codes from phones and don't unlock partial unlock procedure. Byt this you can always unlock a phone without any problem - no metter SW versions etc. Also availaebl direct unlock function to enter code automatically to phone and repair option to rebuild EEPROM area in phone. It's great tool for phone buisness....

NOTE: THis software are protected by licence key - registration are only to 1 computer. If you want to use this tool on diffrent computer you must buy additional registrations.
