Automatic climatic cabinet CATEC DRY98EC

Product ID: 16594

Price: **609.00 EUR**

Product weight: **54.00 kg**

Description:

Automatic climatic cabinet CATEC DRY98EC EC line is a cost effective solution based on aggregate to absorb moisture. Designed to automatically maintain the ultra-low moisture level of 1-10% RH. The cabinet is used for long-term storage of moisture-sensitive components such as ie. Electronic integrated circuits. According to the standard IPC / J-STD-033B electronics should be kept in an environment with a humidity of approx. 5% RH.
