Cobra Light 360

Product ID: 8352

Price: **44.00 EUR**

Product weight: **0.52 kg**

Description:

Cobra Light 360 is light source designed to be fitted to the XY table or to the working bench with our special C-Clamp. Jovy ™ LED-Light source provides powerful illumination flux, and its arm length allows free workspace for user, which suits any additional inspection instruments (magnifying Lens or video microscope) or rework tools such as tweezers or components picker. The LED-Light is recommended to be used separately as a light source, with different fixation methods. It could be used with a magnifying lens or microscope. The Flexible arm can be fitted to our C-Clamp either into position for horizontal direction or into position for vertical direction.
