# COMINO GRANDO Server (RACK)

Product ID: 23372

Product weight: **50.00 kg**

## Description:

COMINO GRANDO Server (RACK) is a line of professional multi-GPU workstations and rack servers built for 24/7 duty in high-performance workflows: digital forensics, evidence processing and correlation, video analytics, on-prem model training and inference, and password recovery. Key advantages include quiet and efficient liquid cooling, high GPU density, sustained performance under full load, and seamless integration.
