Data recovery (VPN certificates) from demaged eMMC chip - Tesla MCU1

Product ID: 22397

Price: **249.00 EUR**

Product weight: **0.00 kg**

Description:

Data recovery (VPN certificates) from demaged eMMC chip - Tesla MCU1 is a service addressed to individuals and companies who due to damage to eMMC memory have lost access to VPN certificates enabling proper communication with Tesla servers. The lost data may have occurred as a result of damage to the controller, damage to the eMMC protocol pads, erroneous voltages when making a copy of the system by ISP methods or the system defect itself.
