DeepSpar USB Stabilizer 10Gb

Product ID: 22957

Price: **2190.00 EUR**

Product weight: **2.00 kg**

Description:

DeepSpar USB Stabilizer 10Gb allows any Windows software to quickly and reliably work with unstable/degraded USB storage devices. It is a combination of software and a hardware device which connects between the PC and USB source drive. The source drive shows up in Windows as if it was connected directly, allowing any software to work with it. The 10Gb version supports USB versions 3.1 and 3.2 (SuperSpeed+) and allows reading from 3 devices at the same time. and has 5 ports (USB C 3.0, 2x USB A 3.0, M.2 NVMe port with M key).
