ESD antistatic mat natural

Product ID: 22276

Price: **6.70 EUR**

Product weight: **2.00 kg**

Description:

ESD antistatic mat natural - for the basic protection method sensitive to electrostatic charges. The mat effectively discharges static electricity from the objects on it. This model is made of 70% natural rubber thanks to which it minimizes the properties of the fragrance properties, often onerous. In addition, it protects the plate against heavy objects and impacts.
