ESD Polyurethane Comfort Chair RS-K9 ESD-A

Product ID: 23481

Price: 228.00 EUR

Product weight: 31.00 kg

Description:

ESD Polyurethane Comfort Chair RS-K9 ESD-A The ESD Comfort polyurethane chair is an excellent solution for environments where electrostatic control in the EPA (ESD Protected Area) is key, while the highest quality of workmanship is a priority. Thanks to the use of soft polyurethane with dissipative properties, this antistatic chair offers exceptional ergonomic comfort and effective, constant protection against electrostatic charges. It is perfect for the most demanding work environments, combining durability with strict safety standards.
