ESD Polyurethane Hoker Chair RS-K6 ESD-C

Product ID: 23476

Price: 137.00 EUR

Product weight: 31.00 kg

Description:

ESD Polyurethane Hoker Chair RS-K6 ESD-C The ESD polyurethane stool is an excellent solution for environments where effective electrostatic control in the EPA (ESD Protected Area) is key. Made of soft, dissipative polyurethane, it ensures high comfort and reliability, offering necessary ergonomic support and safety during long-term use. This antistatic stool is perfect for the most demanding work environments, combining material durability with strict electrostatic discharge protection requirements.
