ESD Polyurethane Stool RS-K5 ESD-A

Product ID: 23471

Price: 108.00 EUR

Product weight: 31.00 kg

Description:

ESD Polyurethane Stool RS-K5 ESD-A Polyurethane ESD stool is the optimal solution for environments where electrostatic control in the EPA (Electrostatic Protected Area) is key. Made of soft, dissipative polyurethane, this antistatic stool combines high functionality with durability, ensuring full comfort of use. It is an ideal choice for demanding technical environments, where aesthetics, ergonomics, and effective discharge of static electricity are equally important.
