FindX GM-02 multifunctional motherboard PCB holder

Product ID: 22962

Price: **50.00 EUR**

Product weight: **0.40 kg**

Description:

FindX GM-02 multifunctional motherboard PCB holder - The holder allows a stable hold of the mobile phone IC/printed circuit board during servicing. The adjustment allows the installation of plates of various shapes, keeping them stable in a given place. Profiled clamps ensure stable mounting of the boards, which prevents them from shifting.
