Fume extractor Waterun Fumego SE-180

Product ID: 22549

Price: **360.00 EUR**

Product weight: **31.00 kg**

Description:

Fume extractor Waterun Fumego SE-180 is a great way to clean the air of toxic substances generated, for example, during soldering, which pose a risk to the health of users. The model is the right tool for use in all electronics workshops, services and DIY. The equipment removes contamination from two stations at the same time, and at the same time has a built-in sensor informing about the need to replace the filter and the lack of patency of the suction pipes. Compact structure, simple installation, high mobility without the need to connect additional installations of suction pipes and vapors extraction systems.
