Fume extractor Waterun Fumego SE-80

Product ID: 22548

Price: **328.00 EUR**

Product weight: **31.00 kg**

Description:

Fume extractor Waterun Fumego SE-80 removes impurities from two stations at the same time, and at the same time has a built-in sensor informing about the need to replace the filter and the lack of patency of the suction pipes. A powerful fan with a brushless motor generates a correspondingly large air flow. Triple filtration system - removes harmful substances from the vapors to provide adequate protection for the operator. It is a great way to clean the air of toxic substances generated, for example, during soldering, which pose a risk to the health of users.
