GMDSoft MD-DRONE - Drone Forensics Software (Perpetual license)

Product ID: 23240

Product weight: **1.00 kg**

Description:

GMDSoft MD-DRONE - Drone Forensics Software (Perpetual license) is a drone forensic software that allows for data extraction and analysis from various drone and UAV data sources, including manufacturers like DJI and Parrot. The software provides a timeline-based visualization of flight parameters such as speed, altitude, and motor values in both graphical and tabular formats. Additionally, machine learning (ML) and AI-based accident or abnormal landing analysis is available.
