Price: **2.65 EUR**

Product weight: **1.00 kg**

Description:

IPA Cleaner 60- 1L is a preparation of first aid after the flooding electronics. Removes harmful residues Coke, juices, tea, coffee, milk, beer, water, etc. It reduces the consumption of 100% isopropyl alcohol, and thus the cost of repairs. The use of cleaner IPA 60 immediately after the flooding significantly increases the success of repair, and in some cases repair may prove to be unnecessary. The product is recommended for ultrasonic cleaners - the desired effect can be achieved already when heated to a temperature of 20C.
