MULTI-COM.PL

JCID P13 NAND programmer (BGA110 PCIE)

Product ID: 22756

Price: **299.00 EUR**

Product weight: **1.60 kg**

Description:

JCID P13 NAND programmer (BGA110 PCIE) programmer designed mainly for detecting, repairing, reading and writing NAND and for formatting partitions. It can be installed and used directly as a standalone product without limitation when connected to a computer. You don't need a network to run. The real-time OLED screen displays the reading and writing status, indicates the current status and intelligently monitors abnormalities.
