Mission Darkness CYPHERCYLENT Faraday Pod

Product ID: 23417

Product weight: 1.00 kg

Description:

Mission Darkness CYPHERCYLENT Faraday Pod is a versatile solution designed to create secure radio frequency (RF) shielded environments in space-constrained and high-security scenarios. Slightly more compact than the full-size Faraday tent, it can function either as a walk-in workstation with space for a desk and equipment or as a secure shielded storage enclosure for short- or long-term containment of electronic devices.
