Mission Darkness Window Charge & Shield Faraday Bag

Product ID: 23285

Price: 569.00 EUR

Product weight: 1.20 kg

Description:

Mission Darkness Window Charge & Shield Faraday Bag for Tablets allows devices to remain powered in the field or laboratory. The bag features a USB filter that enables data transfer and charging through the bag, along with an external cable lock for secure data extraction. It has a NeoLok magnetic closure designed for forensic use. Constructed with multiple layers of high-shielding fabric, the bag includes a viewing window with transparent Faraday shielding, a black ballistic nylon outer shell, a branding pocket, a serialized identifier, and a zipper compartment for cable storage.
