

# Mounting bracket with a 90mm 3x SY-209

Product ID: 22354

Price: 12.00 EUR

Product weight: 0.60 kg

## Description:

**Mounting bracketwith a 90mm 3x SY-209** magnifier is an additional handle, so-called the third hand is necessary for all work requiring high precision. The handle consists of two strong, steel, insulated spring grippers and a 90mm magnifying glass with a 3x magnification. All movable elements made of steel and locked with bolts and nuts, which allows the fixed object to be set in any position. The glass magnifier can be moved along the main guide and the lens can be freely rotated.
The base has a container for flux or cleaner.
