MR LGA/TLGA 52-60 adapter with a configurable pinout

Product ID: 22891

Price: **199.00 EUR**

Product weight: **0.20 kg**

Description:

MR LGA/TLGA 52-60 adapter with a configurable pinout allows for the correct reading of Sandisk LGA60 memory (in two different configurations), standard LGA52 compliant with the ONFI standard and any custom pinout, e.g. in Samsung memories there are different configurations of signals on the pads. The adapter provides access to all 60 pads via the signal connector (goldpin header).
