

Passware Decryptum Portable

Product ID: 22450

Product weight: 0.00 kg

Description:

Passware Decryptum Portable is a set of rainbow tables that allow instant decryption of Word and Excel files up to v.2003 with a Rainbow Tables attack by Passware Kit Business or Passware Kit Forensic. With Decryptum Portable, the decryption is performed offline, so there's no need to connect to Passware's Decryptum server. Recovery process takes under 1 minute. All types of File-Open passwords are removed, regardless of length or strength.
