Passware Decryptum Portable (Rainbow Tables for Office)

Product ID: 22450

Product weight: 0.00 kg

Description:

Passware Decryptum Portable (Rainbow Tables for Office) Professional Microsoft Word and Excel Password Removal Solution is a specialized solution designed to instantly remove password protection from supported Microsoft Word and Excel documents created with older versions of Microsoft Office.

The solution uses advanced Rainbow Tables technology to remove supported File-Open passwords without requiring a conventional password recovery process.
