Power supply service cable for iPhone 8

Product ID: 22066

Price: **8.00 EUR**

Product weight: **0.10 kg**

Description:

Power supply service cable for iPhone 8 with built-in overvoltage protection for iPhone 8, no battery needed. The cable replaces the need to use iPhone batteries when diagnosing battery / power failures. To use it is necessary to have a service power supply and a cable to connect the USB A plug.
