Protective lens for the SZM7045 / 8050 microscope head

Product ID: 22190

Price: **20.00 EUR**

Product weight: **0.10 kg**

Description:

Protective lens for the SZM7045 / 8050 microscope head enables the microscope head to be protected from the solder / flux vapors which are harmful to the optics and which can eventually damage its delicate surface. The lens does not distort the image.

NOTE: We install the lens directly on the heads.
