PVB Solvent 500 ml - Bottle

Product ID: 23440

Price: 8.00 EUR

Product weight: 0.80 kg

Description:

PVB Solvent 500 ml - Bottle

PVB Solvent is a specialized chemical formulation engineered for dissolving and adjusting the viscosity of PVB varnishes used in the protection of printed circuit boards (PCBs). This high-purity product features complete optical clarity and a fully transparent liquid state. It enables precise adaptation of varnish viscosity to meet the requirements of specific spray nozzles and application tools. The formula guarantees complete preservation of the original color, finish, and structural properties of the coated substrate.
