Quick 203D two soldering station 2x90W

Product ID: 22657

Price: **361.00 EUR**

Product weight: **2.00 kg**

Description:

Quick 203D two soldering station 2x90W has two soldering irons, which enables simultaneous, independent operation of both soldering irons. High frequency 400kHz heating system (electromagnetic heater). The tip temperature sensor is located close to the tip itself. Very fast heating and recovery of the tip temperature. Designed for lead-free soldering.
