Quick TF9 750W Fume Extractor

Product ID: 23540

Price: 2022.00 EUR

Product weight: 60.00 kg

Description:

Quick TF9 750W Fume Extractor The system features a large airflow capacity (950 m?/h) and powerful suction, making it ideal for air purification in demanding applications such as reflow ovens, wave soldering machines, and PCB cutting tools. It can be configured to exhaust air either indoors or outdoors depending on the working environment. The large-capacity dust bag combined with a bottom air-inlet design holds more dust, significantly extending consumable replacement cycles. Features include a unique intelligent filter replacement reminder, an LCD display, key lock, swivel caster wheels, side-door filter access, and RS485 communication for PLC/PC control.
