Quick TS11 soldering station 90W

Product ID: 23186

Price: 119.00 EUR

Product weight: 2.00 kg

Description:

Quick TS11 soldering station 90W is precision soldering station offers high power in a compact design, ensuring efficient and accurate work. It features a color LCD Full Vision HD screen with dynamic temperature monitoring for real-time adjustments. With a durable housing, mechanical buttons, and a heat-resistant panel, it ensures long-lasting performance. The integrated tip with a heating element and precise temperature sensor enable high-efficiency heating and lead-free soldering. An intelligent sleep mode and motion sensor improve safety and usability, while a wide range of soldering tips allows for versatility in different soldering techniques.
