Quick TS6 60W Soldering Station with Tweezers

Product ID: 23530

Price: 622.00 EUR

Product weight: 4.00 kg

Description:

Quick TS6 60W Soldering Station with Tweezers The station features a dual-channel heating system with independent temperature control for each arm. Equipped with an easy-to-read LCD display and digital temperature calibration. Direct heating of component leads prevents thermal diffusion to surrounding elements. The device enables safe and fast desoldering of SMD components such as resistors, capacitors, or SOP packages. It features a compact, grounded housing with ESD Safe protection.
