RNS 300 / Audio LowLine Martech Activation

Product ID: 8511

Price: **249.00 EUR**

Product weight: **0.00 kg**

Description:

RNS 300 / Audio LowLine Martech Activation it's another unique solution in radio code market. Application to read the original code from Lowline radios based on the processor STA2052 (RNS 300, Audi BNS 5.0). From now those navigation can be unlocked without unscrewing and desoldering flash memory. The whole process is very easy, and the time required for reading the code is only half a second.
