SD Card Reader USB 3.0 Transcend F5

Product ID: 21298

Price: **29.00 EUR**

Product weight: **0.10 kg**

Description:

SD Card Reader USB 3.0 Transcend F5 is a multifunctional memory card reader that allows you to easily transfer your digital data, photos, games, music stored on flash cards between different types of digital devices. Due to the fact that the F5 reader supports the USB 3.0 interface, data transfer between a computer with USB 3.0 and memory cards is several times faster than in the USB 2.0 interface. An additional advantage is the fact that the F5 supports a new standard of memory cards - SDXC and microSDXC (64GB and more).
