Sigma Plus Box with cables set

Product ID: 22922

Price: **189.00 EUR**

Product weight: **1.00 kg**

Description:

Sigma Plus Box with cables set is a brand new mobile flashing and unlocking software tool, specially designed to service the latest MTK, Qualcomm, Broadcom, HiSilicon, UniSoc phones. This is an all-in-one solution that requires annual payment. Once you bought it, you receive full access to the complete list of supported models and features, not divided into separate packs or by brands. After the initial activation of the new box/dongle, you gain access to service operations for 1 year.
