

SQLite Forensics with Belkasoft - On-Demand Training Course

Product ID: 23557

Price: 922.00 EUR

Product weight: 0.00 kg

Description:

SQLite Forensics with Belkasoft - On-Demand Training Course This course is designed for digital forensics investigators and cyber incident responders who want to learn more about SQLite - a popular database format used across multiple platforms and a wide range of mobile and desktop applications, including WhatsApp, Telegram, and Chrome. Through hands-on experience with Belkasoft X, participants will learn how to analyze SQLite databases effectively and make the most of digital evidence.
