Product ID: 17295

Price: **7.00 EUR**

Product weight: **1.40 kg**

Description:

Ultra clean ESD floor mat 400x600mm, 4300 - 30 sheets a floor mat for clean rooms with high purity. Hygienic cap composed of peelable, adhesive coated layers for single use which is made of a substance that inhibits the development of microorganisms and rust - protecting against bacteria and mold. The mat is glued to the floor, it contains 30 numbered layers of disposable, which after contamination detaches to reveal another clean . "sticky" layer store dirt, dust and pollution from vehicles on wheels. Used in the entrances to rooms with increased hygienic requirements: the aisles of plants to offices and other work areas requiring a high level of purity. Mat composed of 30 sheets layer (disposable) coated with an adhesive.
