MULTI-COM.PL

XPIN Clip with cables set

Product ID: 16519

Price: **399.00 EUR**

Product weight: **0.80 kg**

Description:

XPIN Clip allows you to get user passcode from iPhone, iPad 7.x.x and PIN, Backup PIN, PatternLock from Android phones/tablets that supports USB OTG. XPIN Clip does not require resetting your device which entails deleting data and reverts the device to factory settings. XPIN Clip work without: USB debugging, root, custom recovery, lost data, lost warranty - KNOX flag or unlocking bootloader in some devices). XPIN CLIP is also helpfull for forensic investigation where in some cases you can not undermine the integrity of the data (like: root, custom recovery etc.)
