YIHUA 3010D III 300W/30V/10A power supply

Product ID: 22824

Price: **99.00 EUR**

Product weight: **2.30 kg**

Description:

YIHUA 3010D III 300W/30V/10A power supply is a high quality and efficient switching power supply YIHUA 3010D-III 30V 10A 300W (third generation) is a device that will work in the workshop of any electronics in schools, as laboratory equipment and wherever it is required safe and precise DC voltage source. A very large and bright LED display (showing the values of voltage, intensity and power) ensures operation in all lighting conditions and the exposure of all the most important operating parameters. Light and compact structure allows for easy transport. The device has been designed in a way that allows it to be operated even by novice electronics.
